

House Amendment 8271

PAG LIN

1 1 Amend House File 2455 as follows:
1 2 #1. By striking everything after the enacting
1 3 clause, and inserting the following:
1 4 NEW SECTION. 595.4A MARITAL
1 5 AGREEMENTS.
1 6 It is the policy of this state that parties who are
1 7 married or who are entering into a marriage contract
1 8 may fashion their own marital commitments beyond the
1 9 requirements of this chapter and to the extent not
1 10 otherwise prohibited under law. The parties may
1 11 individualize their marriage contract by entering into
1 12 special agreements such as premarital agreements and
1 13 other civil contracts. The parties may fashion their
1 14 own marital commitments by, but not limited to,
1 15 agreeing to premarital or marital counseling with any
1 16 other person, or to specific grounds for dissolution,
1 17 notwithstanding any other law to the contrary.
1 18 However, the parties shall not fashion their marital
1 19 commitments to include any provision that precludes
1 20 the child support recovery unit from securing an order
1 21 for support for a child as provided pursuant to
1 22 chapter 252A, 252B, 252C, 252E, 252F, 252H, or 252K,
1 23 or any other applicable chapter or that otherwise
1 24 precludes the establishment of a child support order.>
1 25 #2. Title page, lines 1 and 2, by striking the
